

Fact Sheet

Our Vision: To provide warmth and comfort to homeless and impoverished children, those stricken with disease, and others in need... one quilt at a time.

Our Mission: To instill in our youth a hunger for activism, an awareness of global issues, and the belief that one person can make a difference, while preserving and sharing the art of quilting.

Date of Founding: July 1, 2008

Type of Organization: Public Benefit Corporation filed with the State of CA; 501(c)3 charitable organization status pending

Projects Completed: Project **K** (**K**ids Making Quilts for **K**ids) 2008 made 100 quilts for the International Children's Center in Chicago and raised more than \$250 for Anand Charity. As of November 2008, 10 additional quilts were made for individuals suffering from illness or injury.
